

Curriculum Vitae

Jeffrey McCrossin, PhD

Assistant Professor, School of Psychoeducation, Université de Montréal

Social Worker, Couple and Family Therapist — OTSCFQ

Psychotherapist, Clinical Supervisor — OPQ

 Website  /in/jeff-mccrossin  ORCID

★ Highlights

- Clinician-researcher specializing in family-centred and equity-oriented approaches to child and family mental health, neurodiversity, and caregiver support.
- Over 15 years of clinical experience in family therapy, neurorehabilitation, and mental health across hospital and community settings.
- Experience leading community-engaged research with Indigenous and diverse families.
- Secured \$842,292 in peer-reviewed funding.
- Author of 13 peer-reviewed publications on family well-being and caregiving.
- Dedicated educator and clinical supervisor recognized for innovation in teaching and mentorship.

Education

- **PhD in Social Work**, McGill University, Montreal, QC (2025)
Supervisor: Dr. Lucyna Lach
Dissertation: *Pathways of resilience in families of children with neurodisabilities.*
- **MSc(A) in Couple and Family Therapy**, McGill University, Montreal, QC (2019)
Internship: Institute of Community and Family Psychiatry, Jewish General Hospital.
- **Master of Social Work**, Carleton University, Ottawa, ON (2012)
Internships: Children's Hospital of Eastern Ontario (CHEO) Outpatient Mental Health; First Nations Child and Family Caring Society with Dr. Cindy Blackstock.
- **Grad. Cert. in Child and Youth Mental Health**, Thompson Rivers University, Kamloops, BC (2010)
Internship: Nova Scotia Health Authority, ADHD and Sleep Clinics with Dr. Penny Corkum.
- **Bachelor of Science (Psychology)**, Dalhousie University, Halifax, NS (2006)

Academic Appointments

- **Assistant Professor** (2026-present)
School of Psychoeducation, Faculty of Arts and Science, Université de Montréal, Montréal, QC.
- **Postdoctoral Fellow** (2025-2026)
Offord Centre for Child Studies, Department of Psychiatry and Behavioural Neurosciences, McMaster University, Hamilton, ON.
Supervisor: Dr. Teresa Bennett, Jack Laidlaw Endowed Chair in Patient-Centred Care.

Research focus: Adaptation and implementation of the *Family Check-Up* for families of autistic children and other families with complex or high support needs; equity-focused implementation science; and community-engaged research in partnership with Indigenous and diverse communities.

- **Invited Visiting Doctoral Scholar** (2024)
Université Paris Cité – INSTITUT DE PSYCHOLOGIE, Paris, France.
Laboratoire de Psychopathologie et Processus de Santé (UR 4057).

Grants, Doctoral Fellowships, and Awards

Peer-Reviewed Funding as Primary Applicant

- **2026** — Kids Brain Health Network - Indigenous Stream Connection Grant — Walking Together in Care: A Six Nations-McMaster Partnership for Family-Centered Neurodevelopmental Services. — Funded; **PI:** Bennett, T.; Lead Applicant: **McCrossin, J.**; Partner organizations: Six Nations of the Grand River Department of Well-Being, McMaster Children's Hospital (Extensive Needs Service), Offord Centre for Child Studies (\$25,000)

Total: \$25,000

Peer-Reviewed Funding as Co-Investigator

- **2025-2026** — CIHR Project Grant – Priority Announcement: Patient-Oriented Research — The ENVISAGE-Families Randomized Controlled Trial: Empowering Canadian family caregivers during critical wait periods for developmental services. — Funded; **PI:** Cross, A.; Babic, R.; Chambers, E. M.; Imms, C.; Miller, L.; Rosenbaum, P. L.; **Co-I:** Currie, M. G.; Défossés, Y.; Grandisson, M.; Hesketh, K.; Hughes, D. L.; Knutson, K.; Knutson, M.; Kraus De Camargo, O. A.; Lennon, C.; **McCrossin, J.**; Nicholas, D. B.; Novak Pavlic, M.; Noyek, S.; O'Connor, B. E.; Phoenix, M.; Pot, S.; Pozniak, K.; Rodrigues, M. D.; Soper, A. K.; Teplicky, R. L.; Tomas, V.; Wiebe, G. A.; Winkler, J.; Wright, M. J.; Department: Pediatrics; Competition (year/month): 202509; Term: 1 year (\$100,000)

Total: \$100,000

Peer-Reviewed Research Fellowships

- **2026-2028** — Canada Postdoctoral Research Award, Canadian Institutes of Health Research (CIHR) — Equity-focused implementation of a family-centred intervention within extensive needs services. — Awarded but declined* (\$140,000)
- **2026** — Michael G. DeGroote Postdoctoral Fellowship in Clinical Research — Advancing equity in family-centred care for neurodiverse families: Exploring implementation and alignment across service systems. — Awarded (\$50,000)
- **2025-2026** — Offord Centre for Child Studies Postdoctoral Fellowship Award — Hamilton Health Sciences Foundation (\$20,000)
- **2025** — Kids Brain Health Network (KBHN)-Mitacs Accelerate Internship — Enhancing inclusivity in caregiver peer support: A case study of promising practices at the Family Support Institute of British Columbia. (\$20,000)

- **2024** — Michael Smith Foreign Study Supplement, Social Sciences and Humanities Research Council of Canada (SSHRC) (\$6,000)
- **2020-2024** — SSHRC Joseph-Armand Bombardier Canada Graduate Doctoral Scholarship (\$140,000)
- **2020-2025** — Fonds de recherche du Québec – santé (FRQS) doctoral fellowship* (\$157,292)
- **2020-2024** — Fonds de recherche du Québec – Société et culture (FRQSC) doctoral fellowship* (\$84,000)
- **2020-2021** — Quebec Autism Research Training Scholarship* (\$40,000)
- **2019-2022** — Graduate Excellence Award in Social Work (McGill University)* (\$37,209)
- **2019-2022** — Mark and Mildred Goldenberg Fellowship in Social Work (McGill University)* (\$7,353)
- **2019-2022** — Anne D Fish Fellowship in Social Work (McGill University)* (\$15,438)

Total: \$717,292

*Funding listed with an asterisk was partially or fully declined due to accepting another award.

Leadership Awards and Other Distinctions

- **2023** — Outstanding Promising Researcher Award — Kids Brain Health Network (\$1,500)
- **2022** — Trainee Leadership Award for Community Engagement — Transforming Autism Care Consortium (\$10,000)
- **2022** — Graduate Student Teaching Award — Faculty of Arts, McGill University (\$500)
- **2021** — Prize for Outstanding Engagement — Quebec Autism Research Training Program (\$100)
- **2021** — Rising Star Researcher — Canadian Child Health Clinician Scientist Program (\$1,000)
- **2019** — Attestation d'excellence — Centre d'enseignement du français de McGill

Total: \$13,100

Scholarships

- **2024** — Université Paris Cité Doctoral Award* (\$3,000)
- **2020-2023** — CHILD-BRIGHT Research Network Doctoral Award* (\$36,500)
- **2021-2023** — Azrieli Foundation Doctoral Award* (\$17,700)
- **2022** — Faculty of Arts Graduate Activities Award (\$500)
- **2017** — McGill Myer Katz Fellowship (\$5,800)
- **2011** — Ontario Graduate Scholarship (\$15,000)
- **2010** — Carleton University Graduate Scholarship (\$3,000)

Total: \$81,500

*Non-competitive award/fellowship/scholarship.

Other Project Funding

- **2023-2025** — Co-applicant (PI: Lucyna Lach) — Development, implementation, and evaluation of a care model for caregivers of individuals with intellectual disabilities,

autism, and/or physical disabilities. — Ministère de la Santé et Services Sociaux Québec and CIUSSS Centre-Ouest-de-l'Île-de-Montréal (\$100,000)

Total: \$100,000

Competitive Training Grants and Awards

- **2026** — Level 1 Implementation Support Specialist Certification Training Grant — Center for Implementation (\$2,490)
- **2026** — Digital Humanities Summer Institute (DHSI) — Digital Humanities Summer Institute (\$1,250)
- **2024-2025** — McGill University Doctoral Internship Award — Enhancing inclusivity in caregiver peer support: A case study of promising practices at the Family Support Institute of British Columbia. (\$6,000)
- **2024-2025** — Kids Brain Health Network Access Award — Enhancing inclusivity in caregiver peer support: A case study of promising practices at the Family Support Institute of British Columbia. (\$1,500)
- **2024-2025** — McGill University GREAT Travel Award — Enhancing inclusivity in caregiver peer support: A case study of promising practices at the Family Support Institute of British Columbia. (\$1,000)
- **2024-2025** — McGill University Graduate Mobility Award — Enhancing inclusivity in caregiver peer support: A case study of promising practices at the Family Support Institute of British Columbia. (\$750)
- **2023-2024** — McGill University Graduate Mobility Award — Caregiver peer support for families of children with neurodisabilities in France (\$5,100)
- **2023-2024** — Schull Yang International Experience Award — Caregiver peer support for families of children with neurodisabilities in France (\$3,250)
- **2023-2024** — McGill University GREAT Travel Award — Caregiver peer support for families of children with neurodisabilities in France (\$2,075)
- **2023-2024** — Kids Brain Health Network Access Award — Caregiver peer support for families of children with neurodisabilities in France (\$650)
- **2023** — RBC Fellowship Grant — Development of a caregiver peer support training program. (\$1,500)
- **2023** — Kids Brain Health Network Training Program Fellowship (\$6,000)
- **2022-2023** — Kids Brain Health Network Presenter Scholarship (\$3,900)
- **2021-2022** — Quebec Autism Research Training Passport (\$4,325)
- **2021** — Centre for Research on Children and Families Training Grant (\$500)
- **2020-2021** — McGill University Graduate Mobility Award (\$2,875)
- **2019** — Kids Brain Health Network Scholarship for Research Training in Family Engagement (\$400)
- **2019** — Centre for Research on Children and Families Travel Grant (\$538)

Total: \$44,103
